### And What Have You

By BOB CRAIG

Don't know how many more games like Friday night the fans or the coaches can stand. These last quarter heroics make for interesting games but it surely would be a lot simpler to score four times in less than seven minutes in the first quarter instead of waiting until the final period.

But then we are sure that both the boys and the coaches would prefer this too and are not just waiting to make things exciting.

Hope the rest of the fans enjoyed the new lights as much as we did Friday night. It surely is nice to not to have to look around the light posts anymore. And all that extra light surely makes it easier to pick up the yardlines on the ends of the field.

Voters living within the Hamlin School District will have an opportunity Saturday to decide if they want to continue with the improvements in the school's athletic facilities. Voters will be voting Saturday on a \$120,000 bond election to build a new all-weather track and to make more improvements to the football stadium.

If the issue is approved by the voters, it will be a dream come true for the many sports fans who have wanted to build a track for the two-time State Champion Track Team. If passed, the issue would also provide new seating for the home stands and eliminate the splinters from the old wooden bleachers.

As we said here a couple of weeks ago when the bond election was first called, this is not a "must" issue, but it is one that has merit. If you are a registered voter living within the district and want these new facilities, then you should vote "yes" Saturday, but if you think the project is not worth the five percent increase in taxes then vote "no."

The School Board is not trying to force the project or the resulting additional taxes on the taxpayers of the district. They simply responded to the wishes of many citizens when they voted to call the election.

Personally, we hope the issue passes Saturday because we feel that it would be an asset to the community and well worth the small additional amount of taxes required to pay for it. If your school taxes were \$100 this year it will cost you about \$5.00 more to pay your share of the bonds.

We support this issue because we believe that Hamlin needs to continue to have a strong track program for both the boys and the girls in junior high and in high school. And if we are going to have a good track program then we need to provide the facilities for it. We just don't think it is right to depend on other school districts to provide us with track facilities. We also would like to see our kids perform at home once in awhile.

We are sure that there are those who feel that athletics are being over emphasized in our schools today, but most educators will tell you that schools with good athletic programs are having less trouble with their students than those with poor programs. You don't find many schools with good athletic programs having problems with student unrest, riots or other student related problems. Athletics seem to be a rallying point for not only students but for a whole community as well.

But regardless of how you feel about the bond election, please vote Saturday. Let the issue be decided by the majority of the people as our system of government calls for.

We do not have a guess that is any better than anyone else's as to whether or not President Ford's economic plan will help solve our

**HOMECOMING QUEENS**—Kimi Mehaffey, left, Hamlin High School senior, chosen Homecoming Queen by high school students, and Mrs. Richard Mullins, the former Valeta Crov of the Class of 1939, named Ex-Student Queen, were presented at halftime ceremonies of the Homecoming game with Winters Friday evening.

## Large Crowd Takes Part In Homecoming Activities

An exciting football game that saw the Pipers come from behind to win, 26-12, a huge parade and a large crowd at the Saturday activities sparked the 20th annual Homecoming here this past weekend. During the business session Saturday C. L. White was elected president of the organization for the coming year.

The game with Winters was played before a full stadium as returning ex-students and teachers added to the home crowd.

Over 500 persons were served at the Saturday noon barbecue.

Opening the activities was a bon fire Thursday evening after the junior varsity game with Colorado City. A chili supper was served to the public Friday before the game and the aftergame coffee was held in the cafeteria.

The parade Saturday morning at 10:30 was led by the Hamlin High School Marching Green.

Winning floats in the school division were: Beauty, Senior Class, first; open, Junior Class, first; Freshman Class, second and Sophomore Class, third.

The Senior Class won the theme prize for best use of "Remember When."

In the business division Merle Norman won first in beauty. Winners in the open category were Young Homemakers, first; Business and Professional Women's Club, second, and Beta Theta Chapter of Beta Sigma Phi, third.

Bicycle winners were Reeta Crowley, first; Joe Dan Scifres, second; and Sherri Pritchard, third.

John Ferguson Jr., president of the Ex-student Association, served as master of ceremonies for the program following the noon barbecue. Entertainment was presented by the Hamlin High School Stage Band, under the direction of Tim Jones.

The invocation was given by Marvin D. Carlton. Mayor Joe E. Ford gave the welcome.

The Homecoming was dedicated in memoriam to the late Carl Forrest Greenway of the Class of 1933. The plaque was received for the family by a cousin, Mrs. Gordon B. Knight of Marble Falls.

Former head coach Red Burditt, speaker, was introduced by C. L. White.

Patti Bigham Young presented the Ex-student Homecoming Queen, Valeta Crow Mullins, and Randy Elmore, president of the Student Council, presented

Kimi Mehaffey, Homecoming Queen for high school.

Classes of 1911 through 1974 were recognized.

Mrs. Ann Madden and Lola Milstead made presentations to the following: Oldest Ex present, Minnie Willingham, Class of 1916; oldest teacher present, Mrs. Ann Madden of Lubbock; largest family graduating in attendance, the L. C. Bonds family; Oldest Hamlin Ex attending every

### Calf Roping To Benefit Rehab Center

The Haskell Roping Club will sponsor an invitational Calf Roping to benefit the West Texas Rehabilitation Center on Sunday at 1:00 p.m. The event will be held at the James Powell Arena located just north of the Haskell Livestock Auction.

The roping will consist of 15 Old Timers and 20 Amateurs. Each roper will rope five calves. A handmade Billy Cook roping saddle will be awarded to the winners in each category. There will also be a matched pole bending between Tina Morris and Shawn Chambers.

Admission will be \$1.00 or more and a concession stand will be furnished by the Haskell Cowbelles.

### No School Here Monday

Students in Hamlin Public Schools will not attend classes Monday. The one-day holiday is one of 10 service days required by the state for teachers.

Teachers will be attending the Texas State Teachers Association district meeting

homecoming, Mrs. C. R. Reynolds Sr., Class of 1918; oldest Ex attending every homecoming, Pearl Robbins Pittman of Sweetwater; Ex traveling farthest, Minnie Elkins Day of San Francisco, Calif., Class of 1941.

C. L. White was elected president of the Association for the coming year. Other officers include Buford Bigham, first vice president; Pat Jones, second vice president; Mrs. Robert Fowler, Mrs. C. R. Reynolds Sr., Laura Tucker, Mrs. Richard Mullins, Winnie Day, Mrs. Joe E. Ford, Mrs. W. T. Johnson, Mrs. Bill Smith and Mrs. Ken Prewitt, secretaries; and Mrs. Sam Mack Hodges, treasurer.

O. H. Weaver, parade chairman, made presentations to parade winners.

Janet Bonds led the singing of the Piper song. Reba Jackson was accompanist.

### Frosh to Play Rule Tonight

The local Freshmen will travel to Rule tonight (Thursday) and the Hamlin Junior Varsity will play Abilene Cooper B Team Saturday morning in Abilene at 10:30. The two Junior High teams are idle this week.

Next week the seventh grade hosts Sweetwater here Tuesday afternoon at 4:30 and the eighth grade plays Sweetwater on Thursday at 5.

In the only game played here last week, the JV's defeated Colorado City, 18-13. Hamlin won two of the three games played last Thursday evening in Stamford with the seventh grade winning, 24-2, the eighth grade losing, 14-0, and the freshmen winning, 26-6.

## FOR ATHLETIC FACILITIES—

# School Bond Vote Set Here Saturday

Registered voters living within the boundaries of the Hamlin Independent School District will be going to the polls Saturday to vote on a \$120,000 bond issue to build an all-weather track and to continue improvements at the football stadium.

The election will be held in the foyer of the high school with the polls opening at 8 a.m. and closing at 7 p.m.

All registered voters who live within the district are eligible to vote in the election.

The \$120,000 bond issue has been called by the School Trustees for the purpose of constructing an eight-lane Resolute all-weather track just west of the football stadium, all of the additional equipment required for the track, a 650-seat grandstand, and new aluminum seating and new fencing for the football stadium.

### Assembly of God Church Sets Revival

The fall revival at the Assembly of God Church opened Wednesday evening with the Rev. R. I. Stewart of Houston as the speaker. A fulltime evangelist, the Rev. Stewart will lead services at 7:30 p.m. each evening.

The Rev. Carl Amburn, pastor, and the congregation invite the public to attend these services which continue until Oct. 27.

Part of the monies raised, if the issue is approved by the voters, would pay for the newly installed lights at the football stadium. If the issue fails to pass, the lighting system will be paid for by the issuing of time warrants by the school.

Based on present values of the School District, the \$120,000 bond issue would cost the taxpayers an additional seven cents per \$100 valuation. This would mean a tax increase of just under five

percent based on present values.

A breakdown on the estimates for the track include the following: 8-lane Resolute track, \$46,000; shot and discus rings, \$104; hurdles, \$1,620; high jump pit, \$1,960; pole vault pit, \$2,747; vaulting boxes and bars, \$200; 8 starting blocks, \$208; fencing, \$7,500; stadium lighting, \$26,060; aluminum seating for the football stadium, \$11,300; 650 seat track stands, \$14,350; five acres of land, \$2,500 and \$5,000 for contingencies.

### 87 Bicycles Registered In Campaign

During a one-day emphasis on Bicycle Safety Thursday, 87 bicycles were registered, according to the Ladies Auxiliary of Veterans of Foreign Wars. Each bike owner was presented with a kit, 21 pieces of tape, in the Lite-A-Bike program sponsored by the Auxiliary.

The students in primary and elementary were given tips on bicycle and pedestrian safety by Patrolman Wendell Rehm, safety Education Service of Texas Department of Public Safety.

Students who did not register their bikes Thursday may do so now at the Hamlin Police Department. There is no charge for the registration and Lite-A-Bike tapes will be distributed while supply lasts.

### FFA to Sell Snug Bugs

Members of the Future Farmers of America will sell "Snug Bugs" again this year, if demand justifies the project.

The green quilted zip-up bags with plastic bottoms provide warmth at football games.

Anyone who would like to purchase a stadium bag should call Milburn Wink, advisor. The organization will order after requests are received.

### Singing Sunday

The third Sunday singing will be held Sunday at Calvary Baptist Church, beginning at 2:00 p.m. Everyone is cordially invited to attend.

## THERE FRIDAY AT 7:30—

# Pipers to Tangle With Undeclared Ballinger

The Pied Pipers will travel to Ballinger Friday night to take on the undeclared Bearcats in one of the top contests in District 6-AA this week. Both teams are undefeated in district play with Hamlin 2-0 and Ballinger 1-0.

The Bearcats were idle this past week while the Pipers were coming from behind to defeat the Winters Blizzards, 26-12. Ballinger's district win was over these same Blizzards, 15-13. In other District 6-AA action this week, Coahoma will travel to Winters and Anson will host Stamford.

Hamlin is currently a half game ahead of Coahoma in the district standings following the Bulldogs' 20-20 tie with Anson last week. Colorado City defeated Stamford, 7-6, in the other District 6-AA contest.

Coach David Bonds,

commenting on his team's come-from-behind victories the past two weeks, said that the Pipers have played two fine football teams. Admitting that it took some luck to come up with the victory over Anson in the final 36 seconds, he said that he felt that it was a great defensive effort against the Blizzards that turned the game around. He said that they just wore them out and they started making mistakes in the final period.

In giving the scouting report on Ballinger, Coach Bonds said that playing Ballinger on their own field was like giving them a six-point edge before the game started. He said that Ballinger probably has the best defensive unit in the district. They have given up only 35 points in five games while scoring 76.

The Bearcats operate from several backfield formations and shift from one to another before the ball is snapped. Junior quarterback McQueen at 170 pounds leads the Bearcat attack with senior fullback Snell at 210 pounds being a real threat with his size and speed. He carried the ball 19 times last year against the Pipers for 140 yards. The other running back is Rodriguez at 180 pounds. He is rated the best open field runner of the two running backs.

The offensive line for the Bearcats is big with Proffitt, 200 pounds, at one tackle and Smith, 205 pounds, at the other. At one guard is Cook, 170 pounds, and at the other guard is Burgess, 200 pounds, and at center is Pena, 160 pounds. Turner at 180 pounds plays tight end and the wide receivers are Parrish and Reyes.

# Hamlin Gets Approval For Flood Insurance

U. S. Rep. Omar Burleson announced last Wednesday the approval of subsidized flood insurance for the City of Hamlin by the Department of Housing and Urban Development (HUD).

The insurance became available starting Tuesday for all structures used for residential, business, religious and agricultural purposes, structures occupied by non-profit organizations and structures owned by state and local governments or agencies.

Hamlin became qualified under this program when it agreed to adopt measures to minimize flood drain damage

to future construction.

This means, said Federal Insurance Administrator George K. Bernstein, that individual property owners here are now eligible to buy flood insurance protection at affordable federally subsidized rates, offering more extensive coverage under the expanded program authorized by the 1973 Flood Disaster Protection Act.

"We think the new, expanded National Flood Insurance Program offers a better way of protecting property owners from the ravages of floods, while easing the burden on the general public," he said.

"Since flood insurance is now available," he added, "the law requires that it must be purchased by owners of property in areas identified as flood-prone by HUD, in order to be eligible for virtually all forms of Federal or federally related financial assistance for building purposes in those areas."

"This would include FHA or VA mortgages, loans from the Small Business Administration, or loans from any federally regulated or supervised banks and savings and loan institutions."

While flood insurance is available to all residents of the community, Mr. Bern-

stein emphasized that the Federal economic sanctions against building assistance will not apply to property outside the danger zones.

Under the expanded program broader coverage can be obtained for all buildings and their contents. The limit of insurance for single family homes is now \$35,000, and \$100,000 for other residential and non-residential buildings, at the subsidized rate of 25 cents per \$100 of coverage. The rate goes to 40 cents per \$100 for non-residential buildings.

The contents of all residential buildings can be

insured up to \$10,000 per unit at 35 cents per \$100 of coverage, and the rate goes to 75 cents per \$100 for the contents of all nonresidential structures up to a maximum of \$100,000 in coverage per unit.

Policies are effective immediately during the first 30 days the insurance becomes available. After the first 30 days, there is a 15-day waiting period.

Local insurance agencies may obtain policy and other information from the National Flood Insurers Assn. offices at Home Insurance Co., 2100 Travis St., Houston, Texas 77002.

### Mrs. Money, Frank Atkins Are Wed Here

Mrs. Julia Money of Hamlin and Frank Atkins of Stamford were united in marriage Saturday evening at 7:30 at the Church of the Nazarene with the Rev. Marshall Stewart officiating. Attending the couple were her son, Mr. and Mrs. Virgil Money of Odessa. Organist was Mrs. Elizabeth Nunley and soloist was Mrs. Dred Simmons, both of Austin. The reception followed in the Fellowship Hall.

### VFW Auxiliary Holds Meeting

The Ladies Auxiliary of the Veterans of Foreign Wars met Tuesday, Oct. 1, for a business meeting with Shirley Whitley, president, presiding.

The report was made that the Auxiliary had met their honor roll requirements which started in September. The hospital pledge for Veterans Hospitals, 25 cents per member, was met and the October contribution to the Christmas Fund for the children of the National Home was made.

The community activity for October was the Lite-A-

Bike program of bicycle safety sponsored by the local police department. Four Auxiliary members, Shirley Whitley, Mrs. Raymond Nichols, Inez Helm and Mrs. Cleo Perryman, worked on this project. They registered bicycles and distributed safety reflector strips to each bicycle owner. Each members spent five hours.

Mrs. Cleo Perryman visited Mr. and Mrs. Edell Perryman in Irving and Mr. and Mrs. Duncan Troupp in Dallas over the weekend. While there, they attended the State Fair. Mrs. Alvin

### Two Attend District Meet In Abilene

Mrs. Erving Ueckert and Mrs. Frank Shearer attended the District 7 Conference of Texas Federation of Business and Professional Women's Club, Inc. in Abilene Saturday and Sunday. The conference was held at the Thunderbird Lodge with the Baird B & PW Club as host.

Mrs. Darlene Bonner, president-elect, TFBPWC, was guest speaker for the banquet Saturday night. Using the theme "Blue Print for Women," she said, "we must be concerned citizens. We must seek to understand what is happening; then we must ask, what are the implications, and what are we going to do about them. It must be both women and men working together for the good of our country."

In observance of National Business Women's Week, Oct. 20-26, the local club will have a breakfast meeting in the home of Mrs. Luther Hought, Tuesday, Oct. 22 at 7 a.m.

Jones accompanied Mrs. Perryman and visited with her son, Glenn, who lives at Tawakoni, Texas.

### Xi Gamma Pi Hears Program On Woodcraft

Xi Gamma Pi Sorority met Thursday afternoon in the home of Mrs. H. L. Mehaffey. Cake, coffee and Cokes were served as guests arrived.

Mrs. Jerry Waggoner, president, presided and led the opening ritual.

Mrs. Gerald Young presented the plans for the proposed road side park, the city project for the United States Bicentennial. Each member donated a dollar to this fund.

A cake walk booth will be sponsored by the chapter at the City-wide Carnival Saturday, Nov. 9, to aid the Day Care Center.

Mrs. C. W. Griggs presented the program on woodcraft and antiquing using "Love of Art is Inborn in Our Race" as her topic.

She displayed wood carvings collected from her travels throughout the world and others from friends' collections. Included were items from Peking, Austria, Guatemala, Africa, Mexico and Red China. From Texas were wooden pictures using different colored woods, karate sticks and a gavel, all made by Lee Ward of Hamlin.

Mrs. Griggs noted that wood brought from one type of climate to another, especially from wet to dry, suffers a shock and often cracks. A hot linseed oil bath helps prevent further cracking when this occurs, she said.

She displayed items that she had antiqued and suggested using one formula rather than combining parts of two kits for antiquing to achieve best results.

Others attending were Mmes. M. L. Smith, W. T. Johnson, Joan Boaz, James Harrison, Byron Swank, Arlie Cassle, L. C. Bonds and Cecil Sellers.

The next meeting will be Oct. 24 in the home of Mrs. Cassle.

### Ladies Hold Salad Supper Here Tuesday

The first monthly Ladies' Salad Supper was held Tuesday night, Oct. 8, at the Hamlin Church of Christ after a summer recess. Thirty-six ladies attended, including sixteen from Anson.

Mrs. Earl McCaleb of Anson spoke to the group. She encouraged the ladies to live abundantly with a powerful prayer life, thinking Christ-like thoughts and following God's divine order with the husband head of the wife as Christ is head of the church.

Mrs. McCaleb presently teaches a class of mothers with young children at the Anson Church of Christ where her husband is an elder. Hostesses for the meeting were Mrs. R. D. Wade and Mrs. David Giddings.

The November Salad Supper will be held Nov. 12 at 7:00 p.m., hosted by Mrs. Harold Bonner and Mrs. Loyd Burkhart. Mrs. Joyce Hardin of Abilene will be the speaker. She and her husband Dan were missionaries in Korea for many years. Dan is the missionary-in-residence at Abilene Christian College this year. All ladies are cordially invited to attend.

### FHA to Take Part In Carnival for Day Care Center

The Future Homemakers of America met in the sewing lab of Hamlin High School Monday night.

The business meeting was led by the president, Debi Cary. Plans were made to participate in the BCD carnival to be held Nov. 9. The club decided to have a ghost house booth.

Plans were also made to participate in the National Hike Bike for the retarded to be held in the spring.

Patrice Moore was in charge of the Adopt Grandmother project. Each FHA member drew a name for their individual adopted grandmother for the year.

The next FHA meeting will be Nov. 11 with Debra Hollis in charge of the program.

SEVENTEEN YEARS AGO  
(October 17, 1924)

Carpenters are in great demand these days in Hamlin, the same is true of paper hangers and all other trades. A number of handsome residences are under construction and several others are to start soon.

The Parent-Teacher Association held a very enthusiastic session at the High School Auditorium, Tuesday afternoon at three-thirty. Reports from the officers and committees were heard. Plans for the dinner which is to be served in town Saturday, were made. The program consisted of a very interesting round table health talk.

There has been a great number of Hamlin people attending the Texas State Fair at Dallas since it opened last Saturday. Among the number were Misses Berta Nobles, Guyeula Holder, Cecil Chastain, Chas. W. Robinson, Mr. Clark and son, of near Plasterco, Lewis Ezell, John Ed Day and even the Herald Editor got off to the "big show."

One of the most hindering customs to successful business in Hamlin is the "over-lapping" of merchandise. It is city suicide for every house in town to handle articles offered for sale in every other house. For example, an exclusive shoe house would be misleading to try to handle binder twine and apples and silk dresses and rocking chairs. Such a practice would make the groceryman put in a cheap line of shoes.

(October 15, 1954)

A campaign to repair and install new street markers over the city is being talked by city officials and the civic clubs of the town, according to Mayor Willard Jones.

Dates for an eight-day fall revival meeting at the Hamlin First Baptist Church were announced for Nov. 14 through 21 this week by Rev. Houston Walker, pastor.

Increased pressure will be applied to violation of automobile speed regulations within the city limits, declared Mayor Willard Jones this week, as instructions were given city police to make arrests more readily in the future for violations.

Bank deposits in Hamlin's only banking institution, the Farmers and Merchants National, continue to reflect growth, despite the continuing drought of four years. Gain of deposits over the last call for financial statement, as of June 30, 1954, is shown in the latest call, at the close of business Oct. 7.

At a meeting of the board of directors of the Hamlin Lions Club Tuesday afternoon it was voted that the club sponsor a benefit project soon, either a pancake or chili supper or a similar fund raising event, to recoup the club's project fund.

Showers that gave promise of more much-needed moisture fell in the Hamlin area Monday morning, but the precipitation measured only .02 of an inch.

Ann Bryant, daughter of Rev. and

Mrs. Bryon Bryant, is one of the eight nominees for University Queen for 1964-65 at Hardin-Simmons University, Abilene.

The Pied Pipers will travel to Cisco Friday night to play the Lobos at 7:30 as they take the week off from conference warfare. The Pipers will be matching their 3-2 season record against the Lobos 2-3 record.

Officers and members of five Masonic Lodges in this area have been invited to attend a workshop which will be held at 7:30 p.m. Oct. 24, at the Masonic Lodge in Hamlin. Anson, Merkel, Stamford, Hodges and Hamlin Lodges are invited.

The Jones County Singing will be held Sunday at the Foursquare Gospel Church. Everyone interested in good singing is invited.

The Hamlin Junior High School Seventh Grade football team will play Haskell here Thursday at 5 p.m.

Coach Grady Allen's Mighty Mice let the Haskell Warriors get the lead only briefly Tuesday evening before coming back early in the first quarter with touchdowns to pull ahead and stay there to defeat the Haskell team 30-22.

Members of the Hamlin Lions Club will become "Broom Peddlers" here Tuesday as they hold their annual broom sale. The club each year brings the Blind Caravan to town and sells brooms, mops and other household goods made by blind people.

problem with inflation but we do have our doubts about the part dealing with the energy problem.

The first problem facing his program to solve the energy shortage is that it basically is a voluntary one and unfortunately, most Americans have not been convinced that we have an energy shortage. Unless the public is sold on the idea that we really do have a shortage of gasoline, oil, gas and other forms of energy they will not cut back on consumption except to the extent that high prices curtail their purchasing power.

Most Americans just simply don't believe that there really is a shortage. Most seem to think that it is just an excuse to raise prices. We ran across the following quote that just about sums up the thinking of most people that we have come in contact with:

"The voluntary program just won't work at this time. Too many people feel they responded patriotically last year — and that the oil companies profited from it. . . that the crisis was a lot of hokum. It will be much harder to sell voluntary action this time."

Hopefully, for the sake of all of us, Ford's program will work to curb inflation and solve our many other problems, but we fear that it is going to be hard to sell to the general public.

company when it learned the Canadian firm had upped the price. "This is a highly competitive business," it said, "and if one goes up in price and can make it stick, the other companies usually follow."

You can see how far behind the times I am. I didn't know that competition now means you have to charge more than the next guy to keep him from getting all the business. This sounds like I've got it backwards but that's exactly what the paper company said. To meet competition today you've got to raise your price every time somebody else does, particularly if he can make it stick.

That's the point. If he can

make it stick. And with the psychology of inflation what it is, he probably can. Raise the price — who knows, the public may grumble but still go ahead and shell out. Let's everybody get ahead while we can, then if a depression hits we'll be in good shape. Sooner or later somebody's going to have to throw a monkey wrench into this spiraling system, but the trouble is very few companies are now making money wrenches and the few that are made are sky high and a man would have to think twice before throwing one.

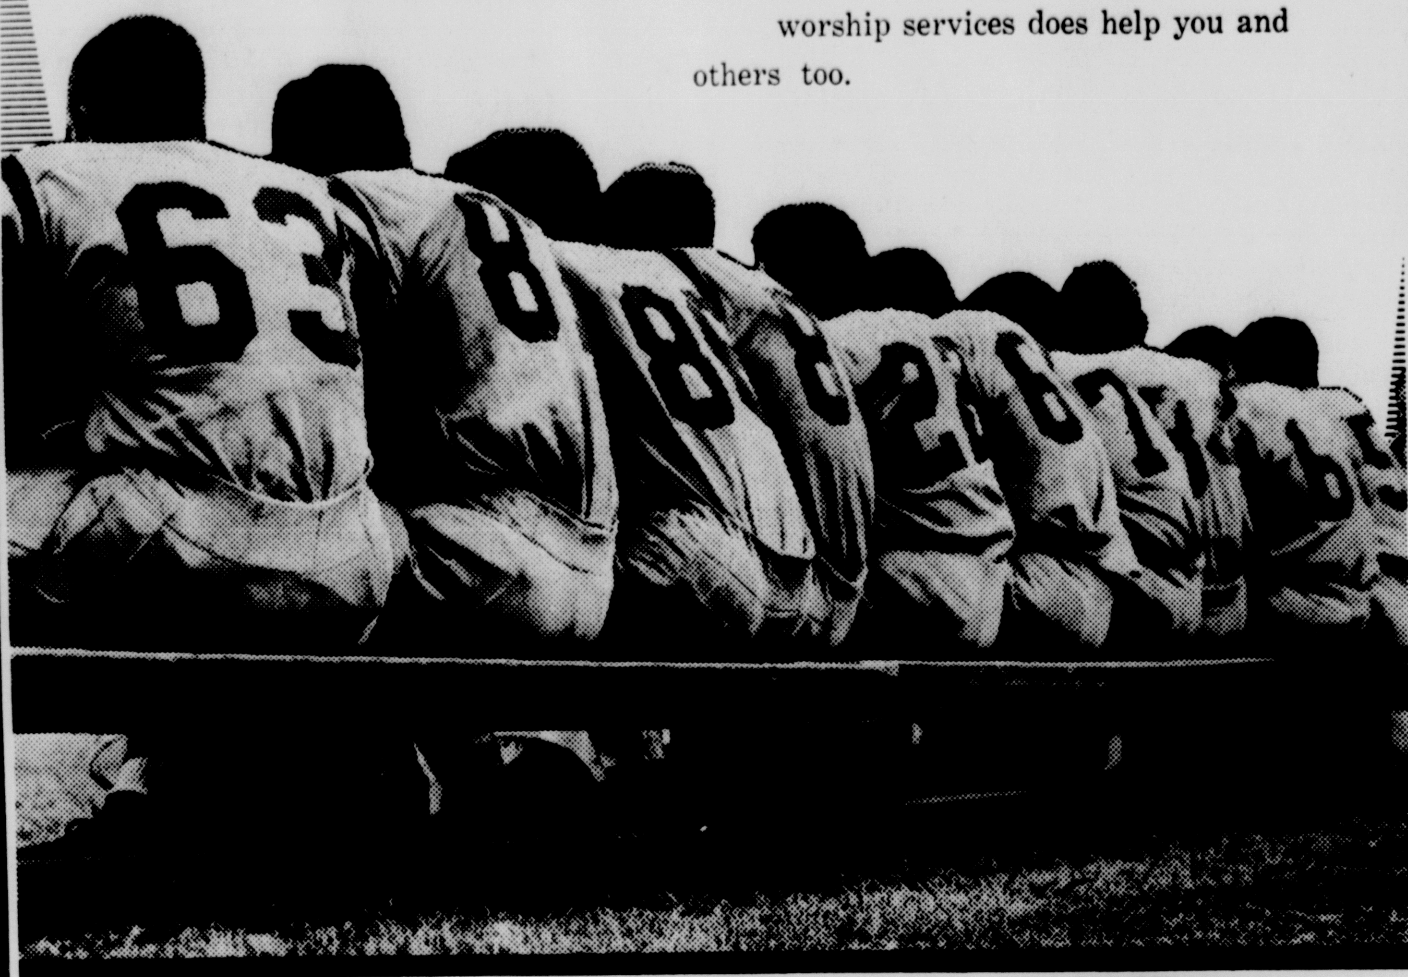

Yours faithfully,  
J. A.

# ESSENTIAL TOO!

The boys on the field are carrying the bulk of the game, but all the boys on the bench are eagerly awaiting their opportunity to get in the game. Some will get to play, others won't, yet each is essential to the team. During practice each week their efforts help build a better team.

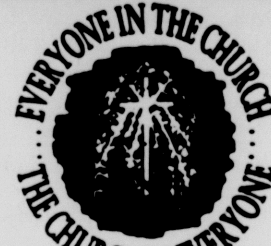

To function properly, a church must work as a team. The

Pastor and his associates carry most of the load. Many others are needed to help train and teach, or do many other tasks. However whether or not you can serve the Lord in some capacity, *your presence* in the worship services does help you and others too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Neinda Philosopher Finds the Word Competition Has Changed Meaning

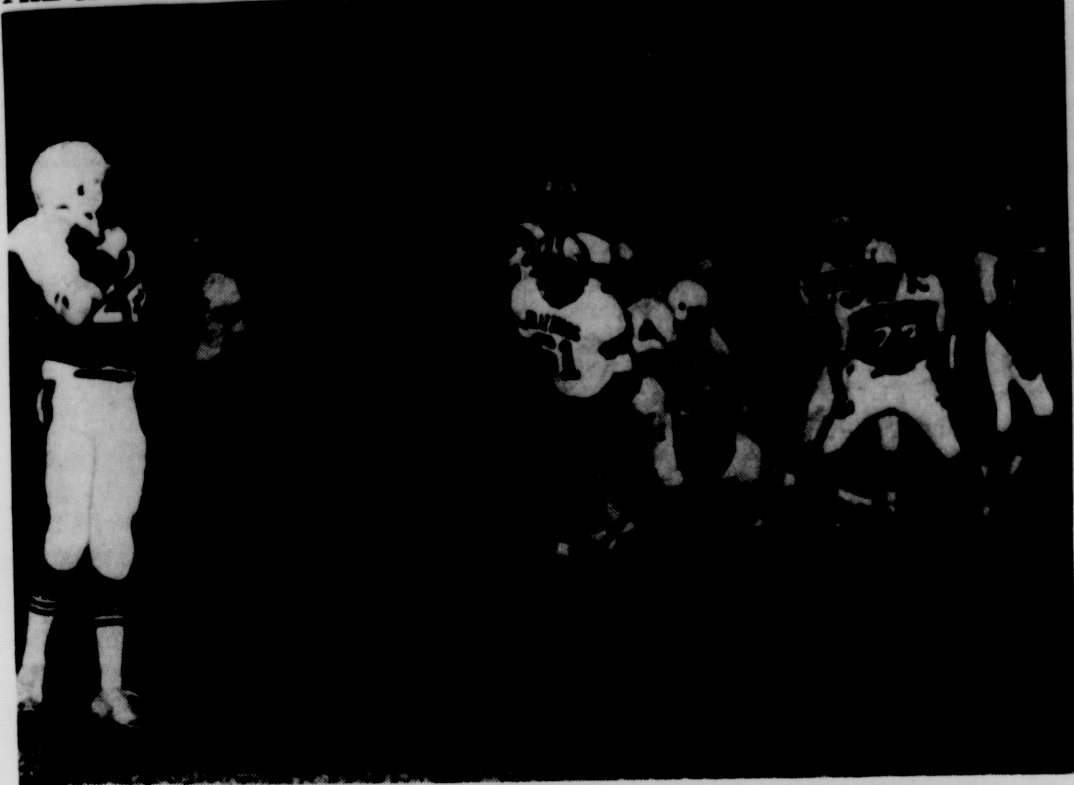

Dear editor:

I knew the times were out of joint but I didn't know how far — even if a steer on the hoof does bring only 20 cents a pound at the ranch and \$2 a pound three months later at the supermarket — until I read last night what's happening in the newspaper business.

According to it, one of Canada's largest producers of newsprint, the paper you print The Herald on, has just raised its price \$25 a ton, making it the fourth raise this year and bringing the price up to \$260 a ton in carload lots.

But what caused my mind to flip over backwards was the response of another paper

# Pipers Explode for 4th Quarter Winters Win

Trailing 12-0 early in the fourth quarter, the Pied Pipers exploded for a 26-12 victory over the Winters Blizzards here Friday evening before a capacity 2 of 8 Homecoming crowd. The Pipers scored four times in less than seven minutes and threatened two more times before the contest ended. William Brown and Robert Pharris sparked the touchdown splurge with Brown opening the rally with a 65-yard kickoff return and then catching a 12-yard pass for the first score. Then it was Pharris' turn as the junior halfback galloped 58 yards for one touchdown, intercepted a Blizzard pass and returned it 25 yards for another score and then intercepted a second pass to set up another Piper tally.

Although giving up two touchdowns, the tough Piper defense held the Blizzards to only 32 net yards rushing and 121 yards passing for the night. But it was not until the final period that the Piper offense could find itself as a pass interception and a fumble killed two earlier Hamlin drives.

With his 58-yard touchdown run, Pharris was the night's leading rusher with 63 yards in five carries. Johnny Jones was held to a net of 44 yards in 16 carries but 15 of these was for a Piper touchdown.

A strong pass rush by the Pipers resulted in dropping the Winters quarterbacks for big losses 11 times with starting quarterback Benji Alldredge going out of the game early in the second half.

Hamlin kicked off to Winters to get the District 6-AA conference game underway. Winters picked up first down before punting to the Hamlin 27. Hamlin picked up two first downs before a pass from Tracy Rowland to Oscar Marshall was tipped into the air and Bobby Poindexter intercepted it for the Blizzards.

Starting from the Hamlin 47, the Blizzards were forced to punt from back on their own 47 four plays later. Gary Mayes and Raymond Jordan came up with big defensive plays for the Pipers to kill the Winters threat. The Pipers started on their own 20 following the punt into the end zone, but had to punt on fourth down.

Winters took over on the Hamlin 48 and two plays later fumbled with Mayes coming up with the football on the Blizzard 46. Again the Pipers failed to make a first down and punted from back on their own 47. The Blizzards lost yardage on three plays and punted from their own 10.

The Pipers took over on their own 31 and gained a first down before punting again from the 47. Winters worked their way out of their own end of the field on a 25-yard carry by Alldredge to the Winters 44. The Blizzards picked up another first down at the Hamlin 45 but three plays failed to gain a yard and Poindexter punted to the Hamlin four-yard line. Three plays failed to gain

any yardage for the Pipers and Rowland punted standing in his own endzone. Taking over on the Hamlin 43, Winters completed two passes for gains of seven and 22 yards for a first down at the Hamlin 14. Three running plays netted seven yards and on fourth down Alldredge passed to Tony Johnson in the endzone for the score. The two-point try failed.

The Pipers failed to make a first down following the kickoff and punted to the Winters 37. Alldredge completed a 17-yard pass and then was dropped for five and eight yards losses before gaining five yards as the half ended.

Hamlin drew a clipping penalty on the kickoff to open the second half and started play back on their own 10. Evans gained a first down at the 20 and then gained five more yards on the next two plays. Rowland's third down pass was incomplete and he was forced to punt. Winters was charged with roughing the kicker and the Pipers had a first down on the Hamlin 40.

After Daniel Willis was dropped for a three-yard loss, Rowland broke loose for 25 yards to the Winters 39. Jones carried for four and then Winters drew a five-yard penalty, but on third and one Jones fumbled with Winters recovering on the 26.

Winters picked up first downs at midfield and at the Hamlin 38 before a 15-yard penalty and a loss by Alldredge forced them to punt from back on their own 43.

The Pipers failed to gain a first and punted with Poindexter losing control of the ball when he was hit with Hamlin recovering, but the officials ruled he was down before he fumbled and Winters kept possession.

Winters gained a first down on a fourth and one at the Hamlin 36, then gained seven yards to the 29, and then Mitch Davis passed to Poindexter all alone in the Hamlin endzone for the touchdown. Davis tried to run in the two points but was stopped short.

The scoreboard clock showed 11:13 left in the final period when Winters kicked off with Brown taking it on the 15, cutting to his left and then racing down the sideline to the Winters 23 before being caught from behind. Rowland gained two, Jones two and then Evans picked up a first down at the 12. On first down Rowland passed to Brown who caught the ball at about the five and broke loose from two tackles to make it into the end zone. Rowland kicked the point after and the clock read 9:39.

Winters moved from their own 23 to their 37 before getting off a short 22-yard punt to the Hamlin 41. Willis carried for one and then Pharris took the option pitch from Rowland and raced down the left sidelines for 58 yards and the score. He received good blocks downfield from Jones and Brown. Rowland kicked the point after to give the Pipers a 14-12 lead with 6:56 left on the clock.

Operating from his own 17 following the kickoff, Davis took to the air only to see Pharris come racing up from his halfback spot, pick off the pass, juggle it a few steps and then race into the endzone for the third Piper score. Rowland missed the point after and the scoreboard clock now read 6:42.

After being dumped for losses of six and five yards trying to pass, Davis got off a third down pass and again it was Pharris who came up with it. He returned it 20 yards to the Winters 15 and on first down Jones raced around his right end for the 15 yards to paydirt. Again Rowland missed on the point after and the Pipers lead 26-12 with 4:59 left in the game.

Following the kickoff, Delbert Thompson recovered a Davis fumble at the Winters 18 to give the Pipers another shot at a touchdown. But a 15-yard penalty put the Pipers back on the 34. Two incomplete passes and a five-yard loss put the Pipers back on the 39 and Rowland punted to the 18.

Davis passed for 25 yards but then the next four plays resulted in losses of eight, six, nine and seven yards and the Pipers took over at the Winters 14. The Pipers ran two plays before the time ran out with the ball on the Winters seven.

## Card of Thanks

### CARD OF THANKS

Thank you for your comfort and sympathy in the loss of our dear loved one. Thank you for the beautiful flowers and we thank each and every one who visited Craig during his illness. May God Bless You.

The family of Craig Elmore

### CARD OF THANKS

Words could never express our love and appreciation to the folks of Hamlin for their kindness, consideration and sympathy given to us at the time of the death of our mother whom we loved so much. We want to thank Rev. Stewart for the comforting words he said to us, for the prayers for our safe trip home, and for the beautiful memorial service he gave for our mother. Especially we want to thank our very dear friends that we love so much, J. C. and Naomi Bailey for opening their home to us and making us feel so welcome during this time of bereavement. The folks in Hamlin are worth so much more than money could every buy.

## Police Chief Gives Tips On Fighting Crime Here

With crime on the increase across the country, Hamlin Police Chief Ed Wheat is enlisting the help of the community in combating this increase at the local level. Chief Wheat said that his department could not work effectively without the assistance of the community. In calling upon the community to help in this fight against the growing crime

wave, Chief Wheat pointed out a number of areas that the public can be a valuable source of information.

In making his plea for help from the community, Wheat pointed out that the most prevalent crimes in the area are bad checks, use of stolen credit cards, shop lifting and burglaries.

He said that the general public could be a valuable source of information to the police by watching out for strangers, by reporting any suspicious person or persons and by being observant enough to get as much descriptive information as possible.

He urged those cashing checks for strangers to record the seven digit number from the upper left corner of the drivers license and if possible record the vehicle license plate number. He also urged that the person taking the check or the credit card to observe the individual to the extent that they would be able to identify them from a photograph at a later date if need be.

For shop lifting offenses, he pointed out that for a case to hold up in court you should let the offender pass through the register and out the front door without interference. Again, he pointed out that a good description of the person is necessary and the merchant should be able to identify the merchandise taken.

In reference to burglaries and thefts' the chief said that law enforcement officers expect the victim to be able to identify the stolen property if a case is to be made. This can be done by numbers, marks or descriptions that will identify your property, he said.

Chief Wheat also urged citizens not to invite the criminal by leaving doors and windows unlocked and do not leave property lying around to tempt a person into taking it. He called on the public to report strange vehicles or persons hanging around an area.

Wheat added that if anything is reported of a confidential nature the department will arrange for the name of the person

making the report not to be used.

## Hamlin High Happenings Piper Patter

By Gary Ford  
Patrice Moore  
Lisa Atcher

This has been such a busy week at H.H.S. that we will report on each day. On Thursday, the Junior Varsity team played Colorado City in our newly-lighted stadium and won by a wide margin. A bonfire was held afterwards and the cheerleaders led yells and the school song.

On Friday the pep rally signalled the beginning of '50's day at H.H.S. when nearly all students appeared in clothing of the 1950's. The whole day was filled with spirit, and the fourth quarter thriller game that night had spirits high for everyone. At the pep rally, Brett McCracken was presented the first 501 percent award by the band officers. After the game, a '50's day party was held at the Jaycee Building and a coffee for Ex-students was held in the school cafeteria.

Early Saturday morning the parade procession began to form at the high school and at 10:30 the Marching Green stepped off to start the 20th Annual Homecoming Parade. Many beautiful floats which required much work were made by the classes. The Senior float won first in beauty and also won the theme prize. The Juniors won first in the open division with the Freshman float second and the Sophomore third.

After the parade a barbeque dinner sponsored by the Ex-student Association was held at the high school and the 1:00 o'clock business meeting began with entertainment by the Hamlin High School Stageband. Officers were elected, and float entry results were given.

Life is slowing down here at H.H.S. after a long and busy week. We are all looking

forward to the upcoming game at Ballinger Friday. We encourage everyone to attend the pep rally Friday morning at 8:15. Special thanks this week goes to Waddell Dairy Queen for the spirit-building signs displayed before each game.

Raymond Jordan won the defensive award this week and Garry Don Mayes won the offensive award.

Let's get a Bearcat, Pipers!

## McCAULLEY

By MRS. FRED KEMP

McCaulley Eagles defeated the Lueders-Avoca Raiders Saturday night at McCaulley with a score of 26 to 25. This week the Eagles will travel to Guthrie. Junior High lost their game to Highland and played Hobbs at Hobbs Tuesday night.

Mrs. Derrel Schimnowski and daughter of Abilene visited in the home of Mrs. Oran Gann. The occasion was Mrs. Gann's birthday.

Fred, Max, James and Frank Kemp attended the Roscoe Swine Breeders Association Sale at Sweetwater Saturday where they selected Swine to show in FFA and 4-H project shows which will begin in January 1975.

Mrs. Bill Young was rushed to Hamlin Hospital Saturday morning by ambulance.

Mr. and Mrs. Port Williams of Hamlin and Lon Ward of Roscoe visited in the home of Mr. and Mrs. Fred Kemp this weekend. Also, Mr. and Mrs. Scott Lee of Ponder spent Saturday night with the Fred Kemps.

Many friends and relatives of the community visited Mrs. Beatrice Kemp to help celebrate her 97th birthday. Out of town callers were Mr. and Mrs. Scott Lee of Pon-

der; Mrs. Ruth Crance of Lubbock; Mr. and Mrs. Ralph Kemp of Portales, N. Mex.; Mr. and Mrs. Ralph Kemp Jr. and Connie of Odessa; Mrs. Vivien Harwood of San Angelo; Mrs. Velma Haag and son Mervyn and Mrs. Minnie Ward, of Midland; Mr. and Mrs. W. J. Kemp and Virgil Steele of Hamlin; Mr. and Mrs. Guy Kemp, Mr. and Mrs. Raymond Kemp and Mr. and Mrs. Rex Kemp of Roby; Mr. and Mrs. Billy Housenfluke and children of San Angelo; and Mr. and Mrs. Charles Scott of Sylvester. All of Mrs. Kemps nine children were present.

McCaulley Baptists were surprised Sunday morning to find that someone had installed new cushions on all the pews. After some inquiry it was learned that the donor was none other than Mr. Lewis Bailey. Our thanks to Mr. Bailey for this generous and thoughtful contribution.

Mrs. Bill Guinn is in Anson Hospital, but is much improved.

### Bridge Winners

Winning first place overall and on North-South at the Tuesday evening competition of Hamlin Duplicate Bridge Club were Peggy Ford and Jean Brown, both of Abilene.

Mrs. Preston Morrow of Rotan and Dale Lain took second place; and Jo Smith and Bob Preston, both of Abilene, won third place. Mrs. Floyd Briscoe and Mrs. W. O. Wilbanks won fourth place.

Winning first place on East-West were Mrs. Harvey Elkins and Teola Simpson. Second place went to Mary Texon and Bob Graham, both of Abilene. Winning third place were Mrs. Jewel Butler and Mrs. Mabel Lillius, both of Abilene; and fourth place went to Helen Vidrine and Pate Willingham, both of Abilene.

At last week's meeting Mrs. G. W. Comegys was chosen by the club as representative to the board of directors of the Fort Phantom Unit.

Bill Bellah of San Antonio visited his parents, Mr. and Mrs. Elmo Bellah, and attended Homecoming activities.

### Services Held Wednesday for Mrs. Hix, 86

Services for Mrs. Annie Lucina Hix, 86, were held at 4 p.m. Wednesday at First United Methodist Church. She died at 2:20 a.m. Monday at Hamlin Memorial Hospital after being hospitalized for 15 days.

She had lived in Hamlin 62 years.

The Rev. Johnnie Williams, pastor of First United Methodist Church in Crosbyton, formerly of Hamlin, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Born Feb. 3, 1888, in Leonard in Fannin County, she was the daughter of the late Mr. and Mrs. John A. Childress. She married J. E. Hix at Vera May 5, 1906. A retired farmer, her husband died Aug. 1, 1956.

She was a member of the First United Methodist Church.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Survivors include one son, John; two daughters, Mrs. Sol (Lillie) Branscum and Mrs. Gean (LaVerne) Witt; one brother, Frank L. Childress of Wynnsboro; eight grandchildren, two great-grandchildren and one great-great-grandchild.

### Hamlin 4-H Elects Officers

The Hamlin Junior High 4-H was organized here this past week under the leadership of County Extension Agent Kriby Clayton. The agent discussed projects for the new year and urged all members to keep their record books up to date on their 4-H projects.

The 4-H fruit cake sale was also discussed and the group decided to take part in the sale again this year in an

## NEWS AND VIEWS...

### And What Have You

By BOB CRAIG

Don't know how many more games like Friday night the fans or the coaches can stand. These last quarter heroics make for interesting games but it surely would be a lot simpler to score four times in less than seven minutes in the first quarter instead of waiting until the final period.

But then we are sure that both the boys and the coaches would prefer this too and are not just waiting to make things exciting.

Hope the rest of the fans enjoyed the new lights as much as we did Friday night. It surely is nice to not to have to look around the light posts anymore. And all that extra light surely makes it easier to pick up the yardlines on the ends of the field.

Voters living within the Hamlin School District will have an opportunity Saturday to decide if they want to continue with the improvements in the school's athletic facilities. Voters will be voting Saturday on a \$120,000 bond election to build a new all-weather track and to make more improvements to the football stadium.

If the issue is approved by the voters, it will be a dream come true for the many sports fans who have wanted to build a track for the two-time State Champion Track Team. If passed, the issue would also provide new seating for the home stands and eliminate the splinters from the old wooden bleachers.

As we said here a couple of weeks ago when the bond election was first called, this is not a "must" issue, but it is one that has merit. If you are a registered voter living within the district and want these new facilities, then you should vote "yes" Saturday, but if you think the project is not worth the five percent increase in taxes then vote "no."

The School Board is not trying to force the project or the resulting additional taxes on the taxpayers of the district. They simply responded to the wishes of many citizens when they voted to call the election.

Personally, we hope the issue passes Saturday because we feel that it would be an asset to the community and well worth the small additional amount of taxes required to pay for it. If your school taxes were \$100 this year it will cost you about \$5.00 more to pay your share of the bonds.

We support this issue because we believe that Hamlin needs to continue to have a strong track program for both the boys and the girls in junior high and in high school. And if we are going to have a good track program then we need to provide the facilities for it. We just don't think it is right to depend on other school districts to provide us with track facilities. We also would like to see our kids perform at home once in awhile.

We are sure that there are those who feel that athletics are being over emphasized in our schools today, but most educators will tell you that schools with good athletic programs are having less trouble with their students than those with poor programs. You don't find many schools with good athletic programs having problems with student unrest, riots or other student related problems. Athletics seem to be a rallying point for not only students but for a whole community as well.

But regardless of how you feel about the bond election, please vote Saturday. Let the issue be decided by the majority of the people as our system of government calls for.

We do not have a guess that is any better than anyone else's as to whether or not President Ford's economic plan will help solve our

**HOMECOMING QUEENS**—Kimi Mehaffey, left, Hamlin High School senior, chosen Homecoming Queen by high school students, and Mrs. Richard Mullins, the former Valeta Crov of the Class of 1939, named Ex-Student Queen, were presented at halftime ceremonies of the Homecoming game with Winters Friday evening.

## Large Crowd Takes Part In Homecoming Activities

An exciting football game that saw the Pipers come from behind to win, 26-12, a huge parade and a large crowd at the Saturday activities sparked the 20th annual Homecoming here this past weekend. During the business session Saturday C. L. White was elected president of the organization for the coming year.

The game with Winters was played before a full stadium as returning ex-students and teachers added to the home crowd.

Over 500 persons were served at the Saturday noon barbecue.

Opening the activities was a bon fire Thursday evening after the junior varsity game with Colorado City. A chili supper was served to the public Friday before the game and the aftergame coffee was held in the cafeteria.

The parade Saturday morning at 10:30 was led by the Hamlin High School Marching Green.

Winning floats in the school division were: Beauty, Senior Class, first; open, Junior Class, first, Freshman Class, second and Sophomore Class, third.

The Senior Class won the theme prize for best use of "Remember When."

In the business division Merle Norman won first in beauty. Winners in the open category were Young Homemakers, first; Business and Professional Women's Club, second, and Beta Theta Chapter of Beta Sigma Phi, third.

Bicycle winners were Reeta Crowley, first; Joe Dan Scifres, second; and Sherri Pritchard, third.

John Ferguson Jr., president of the Ex-student Association, served as master of ceremonies for the program following the noon barbecue. Entertainment was presented by the Hamlin High School Stage Band, under the direction of Tim Jones.

The invocation was given by Marvin D. Carlton. Mayor Joe E. Ford gave the welcome.

The Homecoming was dedicated in memoriam to the late Carl Forrest Greenway of the Class of 1933. The plaque was received for the family by a cousin, Mrs. Gordon B. Knight of Marble Falls.

Former head coach Red Burditt, speaker, was introduced by C. L. White.

Patti Bigham Young presented the Ex-student Homecoming Queen, Valeta Crow Mullins, and Randy Elmore, president of the Student Council, presented

Kimi Mehaffey, Homecoming Queen for high school.

Classes of 1911 through 1974 were recognized.

Mrs. Ann Madden and Lola Milstead made presentations to the following: Oldest Ex present, Minnie Willingham, Class of 1916; oldest teacher present, Mrs. Ann Madden of Lubbock; largest family graduating in attendance, the L. C. Bonds family; Oldest Hamlin Ex attending every

### Calf Roping To Benefit Rehab Center

The Haskell Roping Club will sponsor an invitational Calf Roping to benefit the West Texas Rehabilitation Center on Sunday at 1:00 p.m. The event will be held at the James Powell Arena located just north of the Haskell Livestock Auction.

The roping will consist of 15 Old Timers and 20 Amateurs. Each roper will rope five calves. A handmade Billy Cook roping saddle will be awarded to the winners in each category. There will also be a matched pole bending between Tina Morris and Shawn Chambers.

Admission will be \$1.00 or more and a concession stand will be furnished by the Haskell Cowbelles.

### No School Here Monday

Students in Hamlin Public Schools will not attend classes Monday. The one-day holiday is one of 10 inservice days required by the state for teachers.

Teachers will be attending the Texas State Teachers Association district meeting

homecoming, Mrs. C. R. Reynolds Sr., Class of 1918; oldest Ex attending every homecoming, Pearl Robbins Pittman of Sweetwater; Ex traveling farthest, Minnie Elkins Day of San Francisco, Calif., Class of 1941.

C. L. White was elected president of the Association for the coming year. Other officers include Buford Bigham, first vice president; Pat Jones, second vice president; Mrs. Robert Fowler, Mrs. C. R. Reynolds Sr., Laura Tucker, Mrs. Richard Mullins, Winnie Day, Mrs. Joe E. Ford, Mrs. W. T. Johnson, Mrs. Bill Smith and Mrs. Ken Prewitt, secretaries; and Mrs. Sam Mack Hodges, treasurer.

O. H. Weaver, parade chairman, made presentations to parade winners.

Janet Bonds led the singing of the Piper song. Reba Jackson was accompanist.

### Frosh to Play Rule Tonight

The local Freshmen will travel to Rule tonight (Thursday) and the Hamlin Junior Varsity will play Abilene Cooper B Team Saturday morning in Abilene at 10:30. The two Junior High teams are idle this week.

Next week the seventh grade hosts Sweetwater here Tuesday afternoon at 4:30 and the eighth grade plays Sweetwater on Thursday at 5.

In the only game played here last week, the JV's defeated Colorado City, 18-13. Hamlin won two of the three games played last Thursday evening in Stamford with the seventh grade winning, 24-2, the eighth grade losing, 14-0, and the freshmen winning, 26-6.

## FOR ATHLETIC FACILITIES—

# School Bond Vote Set Here Saturday

Registered voters living within the boundaries of the Hamlin Independent School District will be going to the polls Saturday to vote on a \$120,000 bond issue to build an all-weather track and to continue improvements at the football stadium.

The election will be held in the foyer of the high school with the polls opening at 8 a.m. and closing at 7 p.m.

All registered voters who live within the district are eligible to vote in the election.

The \$120,000 bond issue has been called by the School Trustees for the purpose of constructing an eight-lane Resolute all-weather track just west of the football stadium, all of the additional equipment required for the track, a 650-seat grandstand, and new aluminum seating and new fencing for the football stadium.

### Assembly of God Church Sets Revival

The fall revival at the Assembly of God Church opened Wednesday evening with the Rev. R. I. Stewart of Houston as the speaker. A fulltime evangelist, the Rev. Stewart will lead services at 7:30 p.m. each evening.

The Rev. Carl Amburn, pastor, and the congregation invite the public to attend these services which continue until Oct. 27.

Part of the monies raised, if the issue is approved by the voters, would pay for the newly installed lights at the football stadium. If the issue fails to pass, the lighting system will be paid for by the issuing of time warrants by the school.

Based on present values of the School District, the \$120,000 bond issue would cost the taxpayers an additional seven cents per \$100 valuation. This would mean a tax increase of just under five

percent based on present values.

A breakdown on the estimates for the track include the following: 8-lane Resolute track, \$46,000; shot and discus rings, \$104; hurdles, \$1,620; high jump pit, \$1,960; pole vault pit, \$2,747; vaulting boxes and bars, \$200; 8 starting blocks, \$208; fencing, \$7,500; stadium lighting, \$26,060; aluminum seating for the football stadium, \$11,300; 650 seat track stands, \$14,350; five acres of land, \$2,500 and \$5,000 for contingencies.

### 87 Bicycles Registered In Campaign

During a one-day emphasis on Bicycle Safety Thursday, 87 bicycles were registered, according to the Ladies Auxiliary of Veterans of Foreign Wars. Each bike owner was presented with a kit, 21 pieces of tape, in the Lite-A-Bike program sponsored by the Auxiliary.

The students in primary and elementary were given tips on bicycle and pedestrian safety by Patrolman Wendell Rehm, safety Education Service of Texas Department of Public Safety.

Students who did not register their bikes Thursday may do so now at the Hamlin Police Department. There is no charge for the registration and Lite-A-Bike tapes will be distributed while supply lasts.

### FFA to Sell Snug Bugs

Members of the Future Farmers of America will sell "Snug Bugs" again this year, if demand justifies the project.

The green quilted zip-up bags with plastic bottoms provide warmth at football games.

Anyone who would like to purchase a stadium bag should call Milburn Wink, advisor. The organization will order after requests are received.

### Singing Sunday

The third Sunday singing will be held Sunday at Calvary Baptist Church, beginning at 2:00 p.m. Everyone is cordially invited to attend.

## THERE FRIDAY AT 7:30—

# Pipers to Tangle With Undefeated Ballinger

The Pied Pipers will travel to Ballinger Friday night to take on the undefeated Bearcats in one of the top contests in District 6-AA this week. Both teams are undefeated in district play with Hamlin 2-0 and Ballinger 1-0.

The Bearcats were idle this past week while the Pipers were coming from behind to defeat the Winters Blizzards, 26-12. Ballinger's district win was over these same Blizzards, 15-13. In other District 6-AA action this week, Coahoma will travel to Winters and Anson will host Stamford.

Hamlin is currently a half game ahead of Coahoma in the district standings following the Bulldogs' 20-20 tie with Anson last week. Colorado City defeated Stamford, 7-6, in the other District 6-AA contest.

Coach David Bonds,

commenting on his team's come-from-behind victories the past two weeks, said that the Pipers have played two fine football teams. Admitting that it took some luck to come up with the victory over Anson in the final 36 seconds, he said that he felt that it was a great defensive effort against the Blizzards that turned the game around. He said that we just wore them out and they started making mistakes in the final period.

In giving the scouting report on Ballinger, Coach Bonds said that playing Ballinger on their own field was like giving them a six-point edge before the game started. He said that Ballinger probably has the best defensive unit in the district. They have given up only 35 points in five games while scoring 76.

The Bearcats operate from several backfield formations and shift from one to another before the ball is snapped. Junior quarterback McQueen at 170 pounds leads the Bearcat attack with senior fullback Snell at 210 pounds being a real threat with his size and speed. He carried the ball 19 times last year against the Pipers for 140 yards. The other running back is Rodriguez at 180 pounds. He is rated the best open field runner of the two running backs.

The offensive line for the Bearcats is big with Proffitt, 200 pounds, at one tackle and Smith, 205 pounds, at the other. At one guard is Cook, 170 pounds, and at the other guard is Burgess, 200 pounds, and at center is Pena, 160 pounds. Turner at 180 pounds plays tight end and the wide receivers are Parrish and Reyes.

## Hamlin Gets Approval For Flood Insurance

U. S. Rep. Omar Burleson announced last Wednesday the approval of subsidized flood insurance for the City of Hamlin by the Department of Housing and Urban Development (HUD).

The insurance became available starting Tuesday for all structures used for residential, business, religious and agricultural purposes, structures occupied by non-profit organizations and structures owned by state and local governments or agencies.

Hamlin became qualified under this program when it agreed to adopt measures to minimize flood drain damage

to future construction.

This means, said Federal Insurance Administrator George K. Bernstein, that individual property owners here are now eligible to buy flood insurance protection at affordable federally subsidized rates, offering more extensive coverage under the expanded program authorized by the 1973 Flood Disaster Protection Act.

"We think the new, expanded National Flood Insurance Program offers a better way of protecting property owners from the ravages of floods, while easing the burden on the general public," he said.

"Since flood insurance is now available," he added, "the law requires that it must be purchased by owners of property in areas identified as flood-prone by HUD, in order to be eligible for virtually all forms of Federal or federally related financial assistance for building purposes in those areas."

"This would include FHA or VA mortgages, loans from the Small Business Administration, or loans from any federally regulated or supervised banks and savings and loan institutions."

While flood insurance is available to all residents of the community, Mr. Bern-

stein emphasized that the Federal economic sanctions against building assistance will not apply to property outside the danger zones.

Under the expanded program broader coverage can be obtained for all buildings and their contents. The limit of insurance for single family homes is now \$35,000, and \$100,000 for other residential and non-residential buildings, at the subsidized rate of 25 cents per \$100 of coverage. The rate goes to 40 cents per \$100 for non-residential buildings.

The contents of all residential buildings can be insured up to \$10,000 per unit at 35 cents per \$100 of coverage, and the rate goes to 75 cents per \$100 for the contents of all nonresidential structures up to a maximum of \$100,000 in coverage per unit.

Policies are effective immediately during the first 30 days the insurance becomes available. After the first 30 days, there is a 15-day waiting period.

Local insurance agencies may obtain policy and other information from the National Flood Insurers Assn. offices at Home Insurance Co., 2100 Travis St., Houston, Texas 77002.

### Mrs. Money, Frank Atkins Are Wed Here

Mrs. Julia Money of Hamlin and Frank Atkins of Stamford were united in marriage Saturday evening at 7:30 at the Church of the Nazarene with the Rev. Marshall Stewart officiating. Attending the couple were her son, Mr. and Mrs. Virgil Money of Odessa. Organist was Mrs. Elizabeth Nunley and soloist was Mrs. Dred Simmons, both of Austin. The reception followed in the Fellowship Hall.

### VFW Auxiliary Holds Meeting

The Ladies Auxiliary of the Veterans of Foreign Wars met Tuesday, Oct. 1, for a business meeting with Shirley Whitley, president, presiding.

The report was made that the Auxiliary had met their honor roll requirements which started in September.

The hospital pledge for Veterans Hospitals, 25 cents per member, was met and the October contribution to the Christmas Fund for the children of the National Home was made.

The community activity for October was the Lite-A-

Bike program of bicycle safety sponsored with the local police department. Four Auxiliary members, Shirley Whitley, Mrs. Raymond Nichols, Inez Helm and Mrs. Cleo Perryman, worked on this project. They registered bicycles and distributed safety reflector strips to each bicycle owner. Each members spent five hours.

Mrs. Cleo Perryman visited Mr. and Mrs. Edell Perryman in Irving and Mr. and Mrs. Duncan Troupy in Dallas over the weekend. While there, they attended the State Fair. Mrs. Alvin

### Two Attend District Meet In Abilene

Mrs. Erving Ueckert and Mrs. Frank Shearer attended the District 7 Conference of Texas Federation of Business and Professional Women's Club, Inc. in Abilene Saturday and Sunday. The conference was held at the Thunderbird Lodge with the Baird B & PW Club as host.

Mrs. Darlene Bonner, president-elect, TFBPWC, was guest speaker for the banquet Saturday night. Using the theme "Blue Print for Women," she said, "we must be concerned citizens. We must seek to understand what is happening; then we must ask, what are the implications, and what are we going to do about them. It must be both women and men working together for the good of our country."

In observance of National Business Women's Week, Oct. 20-26, the local club will have a breakfast meeting in the home of Mrs. Luther Haight, Tuesday, Oct. 22 at 7 a.m.

Jones accompanied Mrs. Perryman and visited with her son, Glenn, who lives at Tawakoni, Texas.

### Xi Gamma Pi Hears Program On Woodcraft

Xi Gamma Pi Sorority met Thursday afternoon in the home of Mrs. H. L. Mehaffey. Cake, coffee and Cokes were served as guests arrived.

Mrs. Jerry Waggoner, president, presided and led the opening ritual.

Mrs. Gerald Young presented the plans for the proposed road side park, the city project for the United States Bicentennial. Each member donated a dollar to this fund.

A cake walk booth will be sponsored by the chapter at the City-wide Carnival Saturday, Nov. 9, to aid the Day Care Center.

Mrs. C. W. Griggs presented the program on woodcraft and antiquing using "Love of Art is Inborn in Our Race" as her topic.

She displayed wood carvings collected from her travels throughout the world and others from friends' collections. Included were items from Peking, Austria, Switzerland, Italy, Thailand, Guatemala, Africa, Mexico and Red China. From Texas were wooden pictures using different colored woods, karate sticks and a gavel, all made by Lee Ward of Hamlin.

Mrs. Griggs noted that wood brought from one type of climate to another, especially from wet to dry, suffers a shock and often cracks. A hot linseed oil bath helps prevent further cracking when this occurs, she said.

She displayed items that she had antiques and suggested using one formula rather than combining parts of two kits for antiquing to achieve best results.

Others attending were Mmes. M. L. Smith, W. T. Johnson, Joan Boaz, James Harrison, Byron Swank, Arlie Cassle, L. C. Bonds and Cecil Sellers.

The next meeting will be Oct. 24 in the home of Mrs. Cassle.

### Ladies Hold Salad Supper Here Tuesday

The first monthly Ladies' Salad Supper was held Tuesday night, Oct. 8, at the Hamlin Church of Christ after a summer recess. Thirty-six ladies attended, including sixteen from Anson.

Mrs. Earl McCaleb of Anson spoke to the group. She encouraged the ladies to live abundantly with a powerful prayer life, thinking Christ-like thoughts and following God's divine order with the husband head of the wife as Christ is head of the church.

Mrs. McCaleb presently teaches a class of mothers with young children at the Anson Church of Christ where her husband is an elder. Hostesses for the meeting were Mrs. R. D. Wade and Mrs. David Giddings.

The November Salad Supper will be held Nov. 12 at 7:00 p.m., hosted by Mrs. Harold Bonner and Mrs. Loyd Burkhardt. Mrs. Joyce Hardin of Abilene will be the speaker. She and her husband Dan were missionaries in Korea for many years. Dan is the missionary-in-residence at Abilene Christian College this year. All ladies are cordially invited to attend.

### FHA to Take Part In Carnival for Day Care Center

The Future Homemakers of America met in the sewing lab of Hamlin High School Monday night.

The business meeting was led by the president, Debi Cary. Plans were made to participate in the BCD carnival to be held Nov. 9. The club decided to have a ghost house booth.

Plans were also made to participate in the National Hike Bike for the retarded to be held in the spring.

Patrice Moore was in charge of the Adopt Grandmother project. Each FHA member drew a name for their individual adopted grandmother for the year.

The next FHA meeting will be Nov. 11 with Debra Hollis in charge of the program.

# FROM THE FILES . . .

20 YEARS AGO  
(October 17, 1924)

Handymen are in great demand these days in Hamlin, the same is true of paper hangers and all inner of builders. A number of handsome residences are under construction and several others are to start soon.

The Parent-Teacher Association held a very enthusiastic session at the High School Auditorium, Tuesday afternoon at three-thirty. Reports from the officers and committees were heard. Plans for the dinner which is to be served in town Saturday, were made. The program consisted of a very interesting round table health talk.

There has been a great number of Hamlin people attending the Texas State Fair at Dallas since it opened last Saturday. Among the number were Misses Berta Nobles, Guyeula Holder, Cecil Chastain, Chas. W. Robinson, Mr. Clark and son, of near Plasterco, Lewis Ezell, John Ed Day and even the Herald Editor got off to the "big show."

One of the most hindering customs to successful business in Hamlin is the "over-lapping" of merchandise. It is city suicide for every house in town to handle articles offered for sale in every other house. For example, an exclusive shoe house would be misleading to try to handle binder twine and apples and silk dresses and rocking chairs. Such a practice would make the groceryman put in a cheap line of shoes.

20 YEARS AGO  
(October 15, 1954)

A campaign to repair and install new street markers over the city is being talked by city officials and the civic clubs of the town, according to Mayor Willard Jones.

Dates for an eight-day fall revival meeting at the Hamlin First Baptist Church were announced for Nov. 14 through 21 this week by Rev. Houston Walker, pastor.

Increased pressure will be applied to violation of automobile speed regulations within the city limits, declared Mayor Willard Jones this week, as instructions were given city police to make arrests more readily in the future for violations.

Bank deposits in Hamlin's only banking institution, the Farmers and Merchants National, continue to reflect growth, despite the continuing drouth of four years. Gain of deposits over the last call for financial statement, as of June 30, 1954, is shown in the latest call, at the close of business Oct. 7.

At a meeting of the board of directors of the Hamlin Lions Club Tuesday afternoon it was voted that the club sponsor a benefit project soon, either a pancake or chili supper or a similar fund raising event, to recoup the club's project fund.

Showers that gave promise of more much-needed moisture fell in the Hamlin area Monday morning, but the precipitation measured only .02 of an inch.

Ann Bryant, daughter of Rev. and

Mrs. Bryon Bryant, is one of the eight nominees for University Queen for 1964-65 at Hardin-Simmons University, Abilene.

The Pied Pipers will travel to Cisco Friday night to play the Lobos at 7:30 as they take the week off from conference warfare. The Pipers will be matching their 3-2 season record against the Lobos 2-3 record.

Officers and members of five Masonic Lodges in this area have been invited to attend a workshop which will be held at 7:30 p.m. Oct. 24, at the Masonic Lodge in Hamlin. Anson, Merkel, Stamford, Hodges and Hamlin Lodges are invited.

The Jones County Singing will be held Sunday at the Foursquare Gospel Church. Everyone interested in good singing is invited.

The Hamlin Junior High School Seventh Grade football team will play Haskell here Thursday at 5 p.m.

Coach Grady Allen's Mighty Mice let the Haskell Warriors get the lead only briefly Tuesday evening before coming back early in the first quarter with touchdowns to pull ahead and stay there to defeat the Haskell team 30-22.

Members of the Hamlin Lions Club will become "Broom Peddlers" here Tuesday as they hold their annual broom sale. The club each year brings the Blind Caravan to town and sells brooms, mops and other household goods made by blind people.

### And What Have You

Continued from page 1

problem with inflation but we do have our doubts about the part dealing with the energy problem.

The first problem facing his program to solve the energy shortage is that it basically is a voluntary one and unfortunately, most Americans have not been convinced that we have an energy shortage. Unless the public is sold on the idea that we really do have a shortage of gasoline, oil, gas and other forms of energy they will not cut back on consumption except to the extent that high prices curtail their purchasing power.

Most Americans just simply don't believe that there really is a shortage. Most seem to think that it is just an excuse to raise prices. We ran across the following quote that just about sums up the thinking of most people that we have come in contact with:

"The voluntary program just won't work at this time. Too many people feel they responded patriotically last year — and that the oil companies profited from it. . . that the crisis was a lot of hokum. It will be much harder to sell voluntary action this time."

Hopefully, for the sake of all of us, Ford's program will work to curb inflation and solve our many other problems, but we fear that it is going to be hard to sell to the general public.

## Neinda Philosopher Finds the Word Competition Has Changed Meaning

Dear editor:

I knew the times were out of joint but I didn't know how far — even if a steer on the hoof does bring only 20 cents a pound at the ranch and \$2 a pound three months later at the supermarket — until I read last night what's happening in the newspaper business.

According to it, one of Canada's largest producers of newsprint, the paper you print The Herald on, has just raised its price \$25 a ton, making it the fourth raise this year and bringing the price up to \$260 a ton in carload lots.

But what caused my mind to flip over backwards was the response of another paper

company when it learned the Canadian firm had upped the price. "This is a highly competitive business," it said, "and if one goes up in price and can make it stick, the other companies usually follow."

You can see how far behind the times I am. I didn't know that competition now means you have to charge more than the next guy to keep him from getting like the business. This sounds like I've got it backwards but that's exactly what the paper company said. To meet competition today you've got to raise your price every time somebody else does, particularly if he can make it stick.

That's the point. If he can

make it stick. And with the psychology of inflation what it is, he probably can. Raise the price — who knows, the public may grumble but still go ahead and shell out. Let's everybody get ahead while we can, then if a depression hits we'll be in good shape.

Sooner or later somebody's going to have to throw a monkey wrench into this spiraling system, but the trouble is very few companies are now making money wrenches and the few that are made are sky high and a man would have to think twice before throwing one.

Yours faithfully,  
J. A.

## ESSENTIAL TOO!

The boys on the field are carrying the bulk of the game, but all the boys on the bench are eagerly awaiting their opportunity to get in the game. Some will get to play, others won't, yet each is essential to the team. During practice each week their efforts help build a better team.

To function properly, a church must work as a team. The Pastor and his associates carry most of the load. Many others are needed to help train and teach, or do many other tasks. However whether or not you can serve the Lord in some capacity, *your presence* in the worship services does help you and others too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**PASS COMPLETED**—Oscar Marshall (22) catches a seven-yard pass from Quarterback Tracy Rowland in the first quarter against Winters here Friday evening. # Pipers Explode for 4th Quarter Winters Win

Trailing 12-0 early in the fourth quarter, the Pied Pipers exploded for a 26-12 victory over the Winters Blizzards here Friday evening before a capacity Homecoming crowd. The Pipers scored four times in less than seven minutes and threatened two more times before the contest ended.

William Brown and Robert Phariss sparked the touchdown splurge with Brown opening the rally with a 65-yard kickoff return and then catching a 12-yard pass for the first score. Then it was Phariss' turn as the junior halfback galloped 58 yards for one touchdown, intercepted a Blizzard pass and returned it 25 yards for another score and then intercepted a second pass to set up another Piper tally.

Although giving up two touchdowns, the tough Piper defense held the Blizzards to only 32 net yards rushing and 121 yards passing for the night. But it was not until the final period that the Piper offense could find itself as a pass interception and a fumble killed two earlier Hamlin drives.

With his 58-yard touchdown run, Phariss was the night's leading rusher with 63 yards in five carries. Johnny Jones was held to a net of 44 yards in 16 carries but 15 of these was for a Piper touchdown.

A strong pass rush by the Pipers resulted in dropping the Winters quarterbacks for big losses 11 times with starting quarterback Benji Alldredge going out of the game early in the second half.

Hamlin kicked off to Winters to get the District 6-AA conference game underway. Winters picked up first down before punting to the Hamlin 27. Hamlin picked up two first downs before a pass from Tracy Rowland to Oscar Marshall was tipped into the air and Bobby Poindexter intercepted it for the Blizzards.

Starting from the Hamlin 47, the Blizzards were forced to punt from back on their own 47 four plays later. Gary Mayes and Raymond Jordan came up with big defensive plays for the Pipers to kill the Winters threat. The Pipers started on their own 20 following the punt into the end zone, but had to punt on fourth down.

any yardage for the Pipers and Rowland punted standing in his own endzone. Taking over on the Hamlin 43, Winters completed two passes for gains of seven and 22 yards for a first down at the Hamlin 14. Three running plays netted seven yards and on fourth down Alldredge passed to Tony Johnson in the endzone for the score. The two-point try failed.

The Pipers failed to make a first down following the kickoff and punted to the Winters 37. Alldredge completed a 17-yard pass and then was dropped for five and eight yards losses before gaining five yards as the half ended.

Hamlin drew a clipping penalty on the kickoff to open the second half and started play back on their own 10. Evans gained a first down at the 20 and then gained five more yards on the next two plays. Rowland's third down pass was incomplete and he was forced to punt. Winters was charged with roughing the kicker and the Pipers had a first down on the Hamlin 40.

After Daniel Willis was dropped for a three-yard loss, Rowland broke loose for 25 yards to the Winters 39. Jones carried for four and then Winters drew a five-yard penalty, but on third and one Jones fumbled with Winters recovering on the 26.

Winters picked up first downs at midfield and at the Hamlin 38 before a 15-yard penalty and a loss by Alldredge forced them to punt from back on their own 43.

The Pipers failed to gain a first and punted with Poindexter losing control of the ball when he was hit with Hamlin recovering, but the officials ruled he was down before he fumbled and Winters kept possession.

Winters gained a first down on a fourth and one at the Hamlin 36, then gained seven yards to the 29, and then Mitch Davis passed to Poindexter all alone in the Hamlin endzone for the touchdown. Davis tried to run in the two points but was stopped short.

Winters moved from their own 23 to their 37 before getting off a short 22-yard punt to the Hamlin 41. Willis carried for one and then Phariss took the option pitch from Rowland and raced down the left sidelines for 58 yards and the score. He received good blocks downfield from Jones and Brown. Rowland kicked the point after to give the Pipers a 14-12 lead with 6:56 left on the clock.

Operating from his own 17 following the kickoff, Davis took to the air only to see Phariss come racing up from his halfback spot, pick off the pass, juggle it a few steps and then race into the endzone for the third Piper score. Rowland missed the point after and the scoreboard clock now read 6:42.

After being dumped for losses of six and five yards trying to pass, Davis got off a third down pass and again it was Phariss who came up with it. He returned it 20 yards to the Winters 15 and on first down Jones raced around his right end for the 15 yards to paydirt. Again Rowland missed on the point after and the Pipers lead 26-12 with 4:59 left in the game.

Following the kickoff, Delbert Thompson recovered a Davis fumble at the Winters 18 to give the Pipers another shot at a touchdown. But a 15-yard penalty put the Pipers back on the 34. Two incomplete passes and a five-yard loss put the Pipers back on the 39 and Rowland punted to the 18.

Davis passed for 25 yards but then the next four plays resulted in losses of eight, six, nine and seven yards and the Pipers took over at the Winters 14. The Pipers ran two plays before the time ran out with the ball on the Winters seven.

CF Drive Nets \$660

Contributions to the Cystic Fibrosis campaign here reached \$660 after the door to door canvass and contact of local businesses, reported Mrs. Fred Smith, chairman. More than 25 volunteer workers took part in the local drive which aids the National Cystic Fibrosis Research Foundation. More than six million children, victims of Cystic Fibrosis, are dependent on the help received from such drives. Money sent to the national office is used for funding clinical research and to help support the care programs at CF centers.

Homecoming visitors in the home of Rev. and Mrs. Joe Norton were Mrs. Elizabeth Nunley and Amy, and Mrs. Dred Simmons and daughter Jana, all of Austin.

Police Chief Gives Tips On Fighting Crime Here

With crime on the increase across the country, Hamlin Police Chief Ed Wheat is enlisting the help of the community in combating this increase at the local level. Chief Wheat said that his department could not work effectively without the assistance of the community. In calling upon the community to help in this fight against the growing crime

wave, Chief Wheat pointed out a number of areas that the public can be a valuable source of information. In making his plea for help from the community, Wheat pointed out that the most prevalent crimes in the area are bad checks, use of stolen credit cards, shop lifting and burglaries. He said that the general public could be a valuable source of information to the police by watching out for strangers, by reporting any suspicious person or persons and by being observant enough to get as much descriptive information as possible. He urged those cashing checks for strangers to record the seven digit number from the upper left corner of the drivers license and if possible record the vehicle license plate number. He also urged that the person taking the check or the credit card to observe the individual to the extent that they would be able to identify them from a photograph at a later date if need be.

Services Held Sunday for Mrs. Lawlis, 86

Frances Susan Lawlis, 86, a longtime area resident, died at 6 p.m. Friday at Villa Sesta nursing home in Austin where she had lived for six years.

Funeral services were held at 2 p.m. Sunday at McCoy Chapel of Memories by the Rev. Jim Smith, pastor of First United Methodist Church.

Burial was in Newman Cemetery near Sylvester under the direction of McCoy Funeral Home.

Born Sept. 19, 1888, in Waco, she was the daughter of the later Mr. and Mrs. T. D. Robertson. She married George M. Lawlis, a farmer, in Anson, Oct. 20, 1908. He died Dec. 20, 1966. They lived in Sylvester and later in Hamlin.

Survivors include two sons, Ovid C. Lawlis of Bovina, Dr. Virgil B. Lawlis of Austin; one daughter, Mrs. Don (Frances) Raymond of Levelland; 11 grandchildren and 11 great-grandchildren. One son, Frank, preceded her in death.

Grandsons were pallbearers.

Chief Wheat also urged citizens not to invite the criminal by leaving doors and windows unlocked and do not leave property lying around to tempt a person into taking it. He called on the public to report strange vehicles or persons hanging around an area.

Wheat added that if anything is reported of a confidential nature the department will arrange for the name of the person

making the report not to be used.

## Hamlin High Happenings Piper Patter

By Gary Ford  
Patrice Moore  
Lisa Atcher

This has been such a busy week at H.H.S. that we will report on each day. On Thursday, the Junior Varsity team played Colorado City in our newly-lighted stadium and won by a wide margin. A bonfire was held afterwards and the cheerleaders led yells and the school song.

On Friday the pep rally signalled the beginning of '50's day at H.H.S. when nearly all students appeared in clothing of the 1950's. The whole day was filled with spirit, and the fourth quarter thriller game that night had spirits high for everyone. At the pep rally, Brett McCracken was presented the first 50 percent award by the band officers. After the game, a '50's day party was held at the Jaycee Building and a coffee for Ex-students was held in the school cafeteria.

Early Saturday morning the parade procession began to form at the high school and at 10:30 the Marching Green stepped off to start the 20th Annual Homecoming Parade. Many beautiful floats which required much work were made by the classes. The Senior float won first in beauty and also won the theme prize. The Juniors won first in the open division with the Freshman float second and the Sophomore third.

After the parade a barbeque dinner sponsored by the Ex-student Association was held at the high school and the 1:00 o'clock business meeting began with entertainment by the Hamlin High School Stageband. Officers were elected, and float entry results were given.

Life is slowing down here at H.H.S. after a long and busy week. We are all looking

forward to the upcoming game at Ballinger Friday. We encourage everyone to attend the pep rally Friday morning at 8:15. Special thanks this week goes to Waddell Dairy Queen for the spirit-building signs displayed before each game. Raymond Jordan won the defensive award this week and Garry Don Mayes won the offensive award. Let's get a Bearcat, Pipers!

### NEWS FROM

## McCAULLEY

By MRS. FRED KEMP

McCaulley Eagles defeated the Lueders-Avoca Raiders Saturday night at McCaulley with a score of 26 to 25. This week the Eagles will travel to Guthrie. Junior High lost their game to Highland and played Hobbs at Hobbs Tuesday night.

Mrs. Derrel Schimnowski and daughter of Abilene visited in the home of Mrs. Oran Gann. The occasion was Mrs. Gann's birthday.

Fred, Max, James and Frank Kemp attended the Roscoe Swine Breeders Association Sale at Sweetwater Saturday where they selected Swine to show in FFA and 4-H project shows which will begin in January 1975.

Mrs. Bill Young was rushed to Hamlin Hospital Saturday morning by ambulance.

Mr. and Mrs. Port Williams of Hamlin and Lon Ward of Roscoe visited in the home of Mr. and Mrs. Fred Kemp this weekend. Also, Mr. and Mrs. Scott Lee of Ponder spent Saturday night with the Fred Kemps.

Many friends and relatives of the community visited Mrs. Beatrice Kemp to help celebrate her 97th birthday. Out of town callers were Mr. and Mrs. Scott Lee of Ponder.

### Bridge Winners

Winning first place overall and on North-South at the Tuesday evening competition of Hamlin Duplicate Bridge Club were Peggy Ford and Jean Brown, both of Abilene. Mrs. Preston Morrow of Rotan and Dale Lain took second place; and Jo Smith and Bob Preston, both of Abilene, won third place. Mrs. Floyd Briscoe and Mrs. W. O. Wilbanks won fourth place.

Winning first place on East-West were Mrs. Harvey Elkins and Teola Simpson. Second place went to Mary Texon and Bob Graham, both of Abilene. Winning third place were Mrs. Jewel Butler and Mrs. Mabel Lillius, both of Abilene; and fourth place went to Helen Vidrine and Pate Willingham, both of Abilene.

At last week's meeting Mrs. G. W. Comegys was chosen by the club as representative to the board of directors of the Fort Phantom Unit.

Bill Bellah of San Antonio visited his parents, Mr. and Mrs. Elmo Bellah, and attended Homecoming activities.

### Services Held Wednesday for Mrs. Hix, 86

Services for Mrs. Annie Lucina Hix, 86, were held at 4 p.m. Wednesday at First United Methodist Church. She died at 2:20 a.m. Monday at Hamlin Memorial Hospital after being hospitalized for 15 days.

She had lived in Hamlin 62 years.

The Rev. Johnnie Williams, pastor of First United Methodist Church in Crosbyton, formerly of Hamlin, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene, officiated.

Born Feb. 3, 1888, in Leonard in Fannin County, she was the daughter of the late Mr. and Mrs. John A. Childress. She married J. E. Hix at Vera May 5, 1906. A retired farmer, her husband died Aug. 1, 1956.

She was a member of the First United Methodist Church.

Burial was in Hamlin East Cemetery under the direction of McCoy Funeral Home.

Survivors include one son, John; two daughters, Mrs. Sol (Lillie) Branscum and Mrs. Gean (LaVerne) Witt; one brother, Frank L. Childress of Wynnsboro; eight grandchildren, two great-grandchildren and one great-great-grandchild.

### Hamlin 4-H Elects Officers

The Hamlin Junior High 4-H was organized here this past week under the leadership of County Extension Agent Kriby Clayton. The agent discussed projects for the new year and urged all members to keep their record books up to date on their 4-H projects.

The 4-H fruit cake sale was also discussed and the group decided to take part in the sale again this year in an
